IF WOMEN ONLY KNEW

What a Heap of Happiness It Would Bring to Ooddy Homes.

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work. If women only knew the cause—that Backache pains come from sick kidneys, "I would save much needless woe. Doan's Kidney Pills cure sick kidneys. Mrs. E. Snyder, living at 2506 Central Ave., Cheyenne, Wyo., says: "For several years I was subject to pains in my back and hips. They were so severe at times as to compel me to scream out. When sitting for a time I could not rise up without assistance. At night I was troubled the worst as I could not turn over in bed and the suffering I endured was almost unbearable. There were also evidences of a disturbed condition of my kidneys, and though I used different medicines nothing did me any good until I got Doan's Kidney pills at a drug store. Before using all the pills in one box my condition was wonderfully improved, and ever since taking your remedy I have been stronger and better in every way." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

THE CLEVER MOTHER. She is the Friend of Her Sons and Daughters.

Many women who are careful housekeepers and think they are good mothers are really away outside the lives of their children because they do not understand them. When a mother does not understand and sympathize with her little ones those children will not give her their confidence. They will seek friends outside of the home, and as they grow older they will be away more and more until at length their parents will not even know where they are half the time. The wise mother realizes this. She does not make so many preserves or keep her house in such apple pie order

A UNITED FAMILY. perhaps, but she has time to take walks with the children, to go over their lessons with them and to listen to all their little troubles and difficulties. A mother makes a great mistake in not keeping up to date and clever. How many times I have heard a daughter exclaim: "Oh, I couldn't tell mother! You know she doesn't understand things as they are now. She's awfully old fashioned!" And the worst of it was the girl was right. The mother in question was a weakling, who had neither kept up with her husband nor her children and whom consequently they treated like an undeveloped child. The woman who cares about having a united family will be every one's chum. She will take a lively interest in her husband's affairs, welcome her daughter's many friends and throw open the house to the schoolmates of her son. She need never fear lest her children leave her alone and prefer other houses to their own home. ELINOR GRAY.

LIVING ROOMS. The tendency is toward a light scheme of decoration. The best interior decorators are using light color schemes as much as possible. Almost white walls are seen in many living rooms, and the picture is a good illustration of a room of this sort. The color scheme is white and gold. An empire design decorates the walls.

WHITE AND GOLD ROOM. The electric light fixtures are in the shape of gilt candles with yellow silk shades. There is a high gilt mirror over the mantel. The furniture is mahogany. The table, which supports a lamp with a yellow shade, is handsomely inlaid. Yellow upholstery prevails, while palms and a few cheerful oil paintings add to the brightness of the room. R. DE LA BAUME.

Woman Contractor. Railroad contracting is not a business in which one would expect a woman to get on, yet one of the most prominent contractors of Texas is Mrs. B. C. Hooker, who has made a phenomenal success in this line.
