INTERNATIONAL CODY FAMILY 2017 REUNION

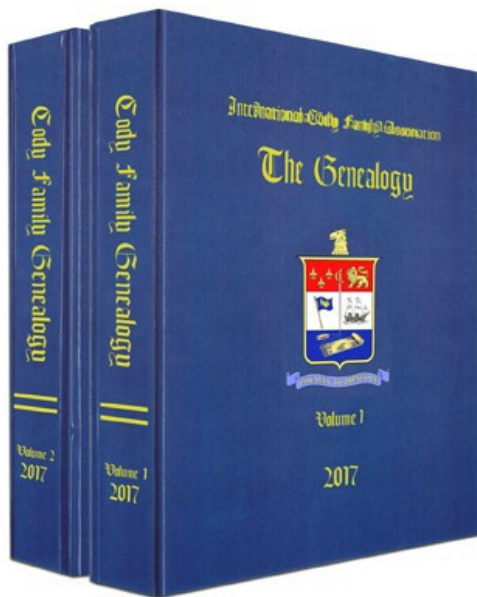

GOLDEN, COLORADO – THURSDAY, JULY 27 – SUNDAY, JULY 30

IN CELEBRATION OF BUFFALO BILL'S 100th DEATH ANNIVERSITY

ITINERARY AND DETAILS ON PAGE 2

OUR NEW GENEALOGY!

In the last four years, we've added many new genealogical lines through dialog with our membership. The Delaps (94) and the Gagers (132) have many new records. The Check Your Record web page and the Dual Cody ID Project corrected major errors in the 44As, 44Bs and 44Ds. Our Genealogist has worked hard to include every valid contribution throughout the book, plus those missed on the 1st edition! Please go to page-8 or our web page, check your records and let us know of any changes so we can include them in this addition. We won't do another edition for 5-10 years. We are striving hard to bring the files and books up-to-date and need your help. **Cut off for in-puts is Dec. 31, 2016.**

Wrapped in the familiar blue and gold, this publication is a professionally produced, authoritative compilation of the descendants of Philip and Martha of Beverly in 1698.

Printed in large type, on high quality acid-free paper, these 2 volumes contain 99 chapters, one for each 5th Generation Descendant, followed by their posterity, organized into family groups by birth order.

The index provides an easy way to look up birthdays and anniversaries. There's an explanation of the Cody ID and even a Consanguinity Chart that defines genealogical relationships like "2nd cousin once removed." *For details and ordering see page 2.*

NOTE: The color emailed version of the Review is more interesting, allows members timely updates and extra information with automatic links (in blue) to interesting web pages, so send your email address to ron.hills@comcast.net. Due to cost we can only publish a black & white hard copy Review every 2 years but color email copies are sent several times per year. Over the next few months you will also receive more details on the Reunion to help your planning (if you need a hard copy let us know).

Buffalo Bill's Family Gravestone Restoration

Dwight Cody 148/3423, our ICFA Secretary, applies D/2 to preserve Orra Maude's gravestone

On a beautiful Wednesday in October, our team of gravestone preservationists scouted [Mt. Hope Cemetery in Rochester NY](#) for Buffalo Bill's family plot. [Using the map](#), they quickly located the children's markers and took pictures of each one.

It had been a long drive from Cape Cod, so the next goal was good lodging, refreshment, rest and preparation for the initial treatment. The following day, Dwight and Rick sprayed the stones with [D/2 to neutralize years of acid build-up](#).

Just down the path, they repeated the process for Buffalo Bill's foster son, Johnny Baker's gravestone. Johnny had ties to Rochester and [cared for the Cody graves after Buffalo Bill died](#).

Returning Friday afternoon, they got out the safety glasses and rubber gloves again, re-sprayed with the D/2, gently scrubbed each stone to a lather and rinsed. Years of neglect disappeared!

Family Friend, Rick Shamel, applies D/2 prior to cleaning Johnny Baker's gravestone

As you can see the results are dramatic! The lichen on Arta's stone is gone and Orra's stone practically shines. With a little care, these historic relics of our family's favorite son can last a lifetime while the staff of Mt. Hope Cemetery cuts the grass.

Away over yonder, at the last roundup in the happy hunting grounds, Bill turned to Johnny and said with a smile, "They didn't forget." Like an old buddy, Johnny returned the smile and said, "How could they?" and so they rode.

We started on this trail with the ["Buffalo Bill's Family Gravesite Restoration"](#) fundraiser in the June 2015 *Review*, appealing for the capital needed to preserve the gravestones of Buffalo Bill's son Kit, and daughters, Arta and Orra Maude. Along the way, we heard the story and included Johnny.

We thank you all for the contributions which made all this possible. From [Jeff "Gunny" Norman](#) to BB's g-g-grandson, Kevin Cody and his ["Remember the Children"](#) in the November *Review*, and especially the generosity of [the donors](#) which led to this real achievement by our team!

October brought a new issue of the newsletter featuring Travelstory's "Downtown Cody Walking Tour" app, a tour of historic downtown Cody that offers up a treasure trove of stories with images and audio. Now Olde Town Trolley Tours has some competition!

But, tourist season is over and the Center's popular exhibition *Go West! Art of the American Frontier*, has "gone west" to the Palm Springs Art Museum, where it opens October 22. The new Collier Playground has opened, the "Buffalo Gals" hosted Molly Moore's *Ranger Reflections* presentation and there's the results of the raffle for the cherry red 1972 Chevelle musclecar and the Model 94 Rifle. The Ohio Circle Meets at Maple Crest Farms!

Front Row from Left: Janet Owens, Brenda Cody, Sibyl Edwards, Linda Mueller, Joyce Moyer.

Back Row from Left: Terence Cody, Barry Cody, Bill Cody, Frank Cody, Jim Mueller, Terrance Moyer.

By Terry Cody, VP of our Ohio Circle

Saturday afternoon, Sept. 10th, the Cody Family Ohio Circle met for their annual reunion. For the second year, we met at [Maple Crest Farms](#) and hosted by Joyce and Terry Moyer.

Several of our regulars were absent due to other obligations: Roland “Rocky” and Nancy Spoon were attending a family wedding and [Jeff \(Buffalo Bill\) Steece](#) and his family also attended a wedding. The Toni and John Trent family were absent due to the illness of Toni’s mother, Vivian Sidle, widow of Herbert Warren Sidle. Sadly, Vivian passed away a short time after the reunion. Vivian was a long-time supporter of the Ohio Circle and served in several roles over the years.

Earlier this year, the OH Circle and the Cody family also lost another of its long-time members, Ross Eldon Cody. Ross leaves behind a legacy of support of the Ohio Circle and is honored as a hero of the invasion of Normandy and the Battle of the Bulge during WWII.

Attending were Joyce and Terrance Moyer, Sibyl Edwards, Bill Cody, Barry Cody, Frank and Brenda Cody, Terence Cody and Janet Owens, Linda and Jim Mueller, Caitlin Berg and Deb Westcott. An enjoyable time with a lot of good conversation, good food and a silent auction to help sustain the Ohio Circle coffers. Linda & Jim Mueller were warmly welcomed as first-time attendees.

A business meeting was led by President Frank Cody which re-elected Officer’s, Frank Cody President, Terence Cody Vice-President and Toni Trent Treasurer, who will remain in office for one more year. The dates and location of the International Reunion were announced. All were encouraged to attend, if possible. Cousins were reminded to be sure that their records in the Cody Family database are up to date so that they will be correct in the next Genealogy to be published in time for July’s 2017 International Reunion.

It was decided that the Ohio Circle reunion will be held in 2017 (date TBD), and the meeting concluded with an in-depth discussion about the future of the Ohio Circle and ways to encourage attendance at future gatherings. See you next year!
