Supplement No. 1
to Bulletin #30
June 1st. 1940

TO OUR ILLINOIS FAMILIES:
GREETINGS:

You will find listed below the names and addresses of representative members of our Illinois families, together with a notation of the fifth generation branch to which each family belongs. This list does not include every Illinois family, but is very representative of each branch. Due to the heavy volume of our mailing lists we cannot carry every family, and for that reason we want those receiving this list, and subsequent bulletins, to pass them around, and give to the bulletins as much publicity as possible in each family. The purpose of publishing this list of the Illinois families is for each family to get to know the others better before the Illinois Reunion of Aug. 26th. and 27th. We want the Illinois reunion to be an overwhelming success. You can do much to make it so by your interest and cooperation with the Local Committee, headed by Miss Ethel Cody of R.R. No. 2, Sheridan, Illinois. She will welcome contact with you and suggestions from you:
